WHO WE ARE

Approaching two decades of experience in the events industry, we are a seasoned one-stop-shop catering to local and international clients with a track record of providing efficient, seamless and top-tier solutions. Based in Nairobi Kenya, with occasional assignments not only in East & Central Africa but also in other countries beyond the region, iVENTS' proficiency in the planning, management and execution of conferences, exhibitions and corporate events is unrivalled.

Working as an extension of your marketing and communication teams, our collection of strategists, technicians, creatives and magicians target to deliver event-ful experiences that resonate with your audience, confident to meet all your requirements with expedience and a value-for-money guarantee.

THE CORE

These values are not only the bedrock of our event management approach but also a testament to our dedication to delivery of service.

● OWNERSHIP

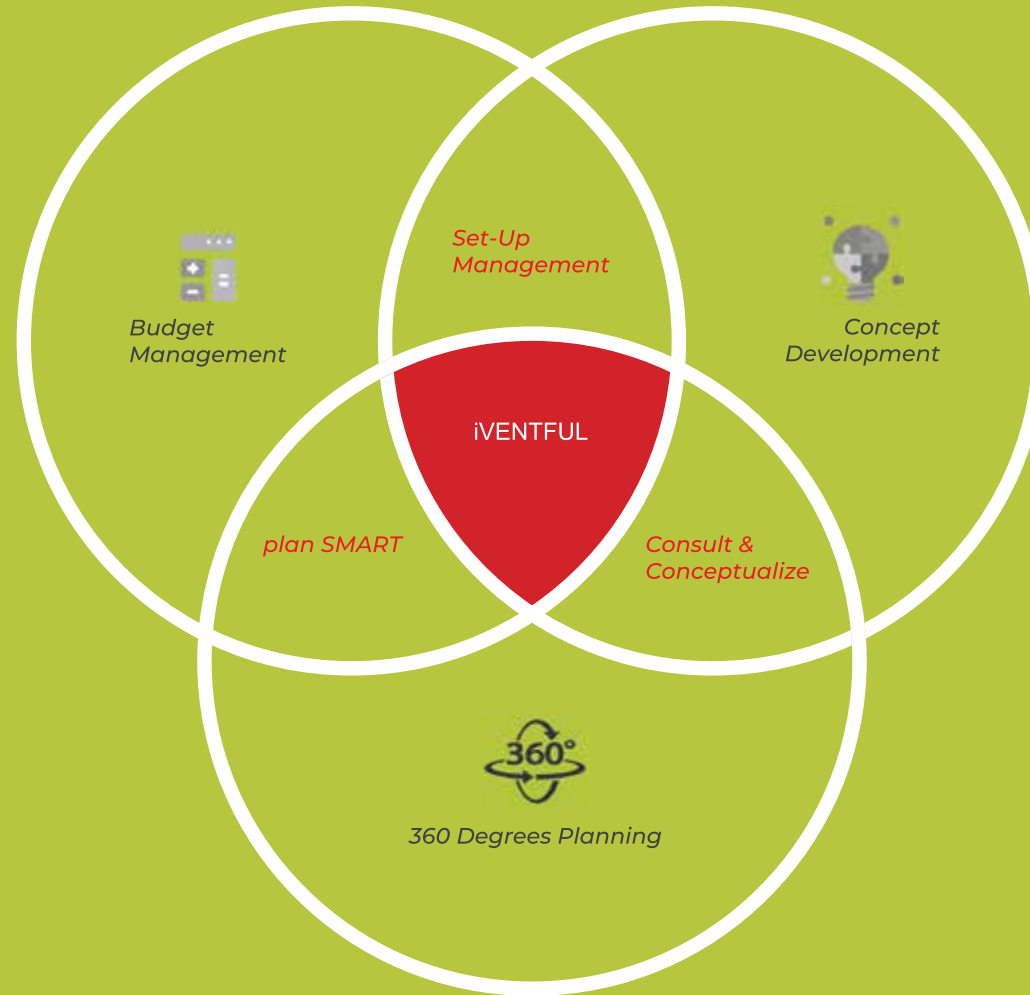

We approach each project with meticulous attention and our unique “i for detail”, occasionally collaborating with subcontractors if the event dictates (but under our direct supervision). This allows us to complete projects in a timely manner, ensuring the same high standards are maintained.

● MADE IN KENYA

We possess a deep understanding of both the local and global market trends, with our strength being our unparalleled knowledge that this constantly evolving market demands adaptability, an essential element in attaining the events objectives and overall success.

● WIN WIN

Our foremost priority is our clients, and we work diligently to meet their every need and expectation, cultivating lasting relationships in the process.

 **MISSION STATEMENT**

Our mission is to **transform our client's vision** into a unique experience.

Our drive to become a dependable as well as the preferred choice of an events management partner is echoed in our ability to curate and provide tailor-made solutions for all events.

 **COMPANY VISION**

To be the leading event management company, recognized for our unwavering commitment to **professionalism, innovation and quality delivery**.

We will continue to push the the boundaries of event management and execution, aiming to be the trendsetter for sustainable solutions in the industry, shaping the future of conferences and celebrations.

 **VALUES**

Simplicity, Teamwork, Responsibility, Commitment, Integrity and Ethics.

HOW WE DO IT

A successful event isn't just a series of unconnected episodes and conventions. It must be based on a coherent idea of what is going to be achieved and how to achieve it.

Consultation enables us to comprehend the objectives that will steer the event concept, design, planning and implementation. Our dedicated Project Manager uses our true and tested general event management approach - the SMART approach [Specific, Measurable, Achievable, Realistic and within a given Timeframe.]

70% is

OUR CLIENTS

We have had the privilege of engaging with clients to help them increase visibility and thrive as they tick-off their vision and company goals, focusing on their guests and the events purpose while leaving the details to us.

Our specialized services make our clients feel at ease, and it is their trust and satisfaction which makes iVENTS a dynamic and reliable option. The clients become partners, as we collaborate to achieve results they can measure.
